MESSAGE FROM OUR MAYOR

It's been a great start to the year! Our International Women's Day morning tea was a great success – with over 120 people coming along to hear our amazing panel of local women talk about how we can work together to #BreakTheBias.

As ANZAC Day approaches, I encourage you to pay your respects at one of the services around Manningham. We have three active RSLs in our local area, Doncaster, Templestowe and Warrandyte and all will be running events on the day. We can pause and remember all Australians who have served and died in war and operational service, past and present. Read more on page 7.

It's an important reminder to connect with our history and the Manningham Heritage Festival in May also offers some great opportunities for this. Learn about the first gold discovered in Warrandyte, Victorian Era dress and the stone that makes up the foundations of many of our historic buildings - see page 13 for more detail.

Last month we honoured our amazing Manningham athlete Li Na Lei. Li Na was recognised in the Governor General's Australia Day Honours List. The Templestowe Paralympian can now add an Order of Australia Medal (OAM) alongside the individual gold medal and team silver medal from the 2020 Tokyo Paralympics to her collection.

If you watched the Beijing Winter Olympics you would have been enthralled by the talent of the Wizard from Warrandyte - our own Scotty James and his amazing achievements. Taking out the silver medal in the Men's Snowboard Halfpipe Finals, it was a thrilling final for those of us watching back home. We congratulate Scotty on such an amazing achievement. I hear The Grand Hotel in Warrandyte was pumping!

On pages 8 and 9 of this issue of *Manningham Matters*, you can see more of the work we have been doing recently on drainage. It's easy to forget we are working away underneath the ground as we build a better Manningham.

As we continue to bounce back into restriction free settings, please continue to remember the Be Kind message. In all we do, whether walking our dog in a park or buying local, a smile and friendly hello goes a long way.

Bouncing back in Park Orchards

A new Community Recovery Wall in Park Orchards is commemorating the resilience of the local community during the COVID-19 pandemic.

Two years in the making, the wall is now complete and opened in February. You can find it on Hopetoun Road in Park Orchards, across from the Millennium Wall. Members of the community purchased plaques that now feature their names on the wall.

The project was led by the Lion's Club and supported by Council with funding through our community grants program.

The wall was launched with a street party for the local community on Sunday 13 February and it was nice to finally get together after a challenging few years. There was stalls and entertainment, food and drink, family activities and a live band. It was a great day to bring the community together and celebrate the completed project.

Promoting your community event

Did you know you can promote your event for free on our website and share it with all of Manningham? We love supporting vibrant and diverse events that benefit our community so we'd love to know what you have coming up.

To be able to list your event, it must:

- be located within Manningham
- be organised or run by a not-for-profit community organisation or association
- be non-commercial
- be open to everyone.

It's a great way to spread the word about your festival, fete, market, seminar or exhibition.

A revamped pavilion for Domeney Reserve

The upgrade of the much loved Domeney Reserve's Pavilion in Park Orchards is now complete.

You'll find an extended multi-purpose space and refurbished and extended change rooms and amenities. We've also upgraded the kitchen and kiosk facilities to meet increased demand. A new umpire room has been added and includes accessible external public toilets and amenities. There's also brand new decking, a canopy shelter and a disabled-access ramp leading to the sports field. The new pavilion is now open and provides a high quality and flexible multi-use recreational facility.

Our sporting community threw their support behind this much needed upgrade of the sporting pavilion, helping fund the renovation of the clubrooms via the State Government's *Pick My Project*. *Pick My Project* asked people to submit ideas for project funding, with the community then voting on their favourite ideas. Domeney Reserve Pavilion received 274 votes.

Mental health and wellbeing a priority for Park Orchards Junior Football Club

With the football season gearing up, the Park Orchards Junior Football Club, known as the Sharks, are excited about the 2022 season. Given the unsettling nature of the last two years, the club is keen to ensure that the mental health and wellbeing of all members of the Sharks family is a priority.

Partnering with Mindfull Aus and SALT, the club will be providing workshops, information sessions and support to all age groups and their families throughout the season and beyond.

"We are mindful that the last two years will have affected everyone in different ways. The Committee wants to make sure we provide a safe space and support to all our families, as well as opportunities to reconnect, to grow friendships and have plenty of fun on the field", says Kate Gniel, President of Park Orchards Junior Football Club.

"The Junior Football Club is excited about the partnership we have created with these two incredible organisations and highlights that we are the club that cares. We look forward to seeing what great things we can do together during season 2022," adds Ms Gniel.

Connected communities and resilient local economies

Outlining our commitment to our local neighbourhoods and asking the community to help re-create and enhance the public realm are key parts of our new Placemaking Framework. We want to create quality public spaces that contribute to people's health, happiness and wellbeing.

The Framework outlines the principles of Placemaking, including:

- starting with authentic community engagement and encouraging community-led activations
- acknowledging Country and understanding places through the eyes of our community
- supporting vibrant connected communities that are places for everyone
- helping the community to connect through activities such as making art, entertainment, and community events
- creating local outdoor spaces that are safe, fun and interesting where local businesses and the community thrive.

Manningham Mayor, Cr Michelle Kleinert said the Framework will help our community to recover and build resilience in the aftermath of COVID-19.

"It will inspire people to re-imagine and reinvent spaces to become places at the heart of every community," she said.

Staying safe from fire at home

As the weather begins to cool, many of us are spending more time inside our homes once again. There are many ways you can make sure you and your family stay safe and prevent a fire from starting in your home.

HAVE A WORKING SMOKE ALARM

- Only working smoke alarms saves lives. Make sure you have a working smoke alarm and test it regularly.
- If you have a smoke alarm with a 9 volt battery, replace the battery every year.
- Dust around the outside of your smoke alarm at least once a year.
- If your smoke alarm emits a single, occasional beep, this means the battery needs to be changed or the smoke alarm may be faulty.

HAVE A HOME FIRE ESCAPE PLAN

- Get down low, and stay out of the smoke.
- Alert other people in the house on your way out.
- If safe to do so, close doors behind you as you exit.
- Get out and stay out. Once you're outside, do not re-enter the house.
- Make sure your household knows to meet at a safe place outside of your home, such as the letterbox or footpath.
- Call Triple Zero (000) and ask for FIRE.

CHECK YOUR ELECTRICAL DEVICES

- Only plug in one electrical device per outlet. Do not overload power boards. Do not 'piggyback' plugs into one socket or use double adaptors.
- Only use approved charging devices. Charge items on surfaces that do not burn and unplug them as soon as they are fully charged.
- Always let the clothes dryer complete the cool cycle before stopping. Clean the lint filter and make sure it is empty before each use.

BE CAREFUL IN THE KITCHEN

- The kitchen is the room where most fires occur in the home.
- Check that the stove, cooktop, oven and other heat sources are turned off before leaving home or going to sleep.
- Never use water to extinguish an oil or grease fire.
- Always supervise children in the kitchen.

UPGRADING TEMPLESTOWE RSL AND MEMORIAL HALL GARDENS

Works are underway at Templestowe RSL and Memorial Hall Gardens.

As part of the works we will also be upgrading the footpaths, steps and retaining walls at Memorial Hall Gardens, to improve accessibility and ensure ongoing viability of the trees.

We are committing \$800,000 to the upgrade, with works planned to be completed in September.

Stories from our Veterans

Learn about our ANZAC history at RSLs in Doncaster, Templestowe and Warrandyte and the Avenue of Honour in Doncaster East.

You can also hear stories from our veterans at the new audio soundpost located at the Avenue of Honour. The soundpost commemorates the sacrifices of Australians in wartime.

Additional soundposts will be coming later in the year, including Doncaster RSL history, nurses in combat zones, Vietnam veterans stories and war, WWI and WWII and indigenous service stories.

Each soundpost has recordings, written information and photos.

This project has been undertaken in partnership with the Doncaster RSL, Doncaster Templestowe Historical Society, Box Hill Institute, Doncaster Secondary College and the Department of Veterans Affairs.

The new soundposts add to those in Doncaster Hill and in Warrandyte.

A community park

wonguim wilam (pronounced as 'WON-GOOM-WIL-LUM') along the Warrandyte River Reserve has a long and rich history.

In recent times it was known as Lions Park, after the Warrandyte Lions Clubs' involvement with the site.

For more than 40 years, Lions Club members contributed to the maintenance of the area, making it a much loved gathering space for the community.

The legacy of the Warrandyte Lions Club continues today. As part of the park's refurbishment, materials from the original shelter and BBQ burner were repurposed as bench seats.

The Warrandyte Lions Club also contributed funding towards the outdoor exercise equipment by the river. This equipment is well loved and used. A new plaque has been installed to commemorate their contribution to the exercise station. Interpretative signs will also be installed to detail the history of the site.

In 2021, the park was given a Woi-wurrung name – wonguim wilam, provided by the Wurundjeri Woi-wurrung Elders. This highlighted our community's commitment to honouring the original owners of the land and waterways and continuing connection to Country.

PROUD TO BE INCLUSIVE

When Doncaster resident Helen attended the 2022 Midsumma Pride March on Sunday 6 February she had been planning to march alone. That was until she ran into the team from Manningham Council and was invited to join their group with open arms.

This was the second year Manningham had participated in the Pride March. The event was an excellent chance to show our support and visibility, demonstrating we are a safe, respectful and inclusive workplace. Most importantly we wanted to share in celebrating diversity, respect and pride at Manningham.

Said Helen, "I have lived in Manningham for the majority of my life. From early childhood, through to middle aged. I was excited to discover there was a group from Manningham Council marching. I was proud and really happy to be included with the Manningham team.

It means a lot to know that my local council is accepting and supportive of the LGBTIQIA+ Community - the times they are a-changin'!"

It made the day for many of the Manningham team as well, showing how easy it is to #BeKind and how small acts of inclusion can make a big impact.

We were not alone in showing support. There was much support across all levels of government, the corporate sector, youth services and many LGBTIQIA+ organisations.

Είναι, επίσης, δική σας η ευθύνη να μαζεύετε και να πετάτε τα περιττώματα του σκύλου σας σε δημόσιους χώρους και να έχετε μια σακούλα για να μαζεύετε τα περιττώματα του σκύλου όταν τον βγάζετε βόλτα.

Επιβράβευση των εθελοντών μας

Επιβραβεύουμε τους σπουδαίους εθελοντές στην κοινότητά μας και τους δίνουμε την ευκαιρία να κερδίσουν ένα κουπόνι των \$50 για να το ξοδέψουν τοπικά. Εάν γνωρίζετε κάποιον που έχει κάνει την διαφορά στην κοινότητά μας, να τον υποδείξετε για την συνεισφορά του στο Manningham.

Πρώθηση της κοινοτικής σας εκδήλωσης

Εάν οργανώνετε μια εκδήλωση και θέλετε να την κοινοποιήσετε, ίσως μπορείτε να προωθήσετε την εκδήλωσή σας δωρεάν στην ιστοσελίδα μας.

Για να μπορείτε να προσθέσετε την εκδήλωσή σας στην λίστα, αυτή πρέπει να βρίσκεται εντός του Manningham, να διοργανώνεται ή να λειτουργεί από έναν μη κερδοσκοπικό κοινοτικό οργανισμό ή σύλλογο, να μην έχει εμπορικό σκοπό και να είναι ανοιχτή σε όλους.

Είναι ένας σπουδαίος τρόπος να κοινοποιήσετε το φεστιβάλ, το πανηγύρι, την αγορά, το σεμινάριο ή την έκθεση.
