

I Fall to Pieces

Matthew Harris and Nicholas Currie

Wednesday, 24 April to Saturday, 8 June 2024

I Fall to Pieces brings together artworks by these two Naarm-based artists.

The exhibition traverses topics of mental health and healing. Rich and differing First Nations materials and processes are deployed along with key tenants of Western Abstraction, offering conceptual and immediate encounters with paint and form.

Matthew Harris, of mixed European and Koorie descent, debases dominant hierarchies through socially critical painting and sculpture. Nicholas Currie is an emerging artist, curator, and descendant of the Mununjali clan of Yugambah people of Brisbane and Beaudesert.

Matthew Harris is represented by FUTURES. Nicholas Currie appears courtesy of FUTURES. Artworks are listed from left to right as you enter the gallery.
